

Join.me connection instructions

1. Open a web browser and go to <http://join.me/proteomics>.
2. Click on the **leftmost green button** at the top with a picture of a speaker on it.

3. In the next screen, click **Test mic and speakers** to make sure you are setup for audio correctly before joining.
4. Click the button to **Turn on computer audio**.

5. Once connected you will be able to hear the presenter speak as well as view the host's shared screen.
